## **24/7 CDC Emergency Operations Center Access**

All of us in the public health community are remembering with compassion the events of last September 11<sup>th</sup>. We are also increasing our vigilance as the anniversary approaches. We are using this occasion to remind you that the CDC Emergency Operations Center (EOC) is being staffed onsite on a 24-hour basis to triage requests for information and assistance. The CDC EOC can be reached at 770-488-7100.

*The Centers for Disease Control and Prevention (CDC) protects people's health and safety by preventing and controlling diseases and injuries; enhances health decisions by providing credible information on critical health issues; and promotes healthy living through strong partnerships with local, national and international organizations.*
